SERVICES RENDERED

Michelle van Rensburg Audiology is a private practice who, by virtue of academic degree, clinical experience, license to practice and professional credentials, is uniquely qualified to provide a comprehensive array of professional services related to the **prevention of hearing loss** and the **audiological identification**, assessment, diagnosis and **treatment of individuals with impairment of auditory function** and the improvement of functional impairments associated with them.

Michelle van Rensburg • **ODIOLGOOG/AUDIOLOGIST • (Bsc. in Audiology and Speech Therapy)**
Praktyk / Practice No. **0486469**

111 Montagu Street • Easycare Building • Mossel Bay 6506 • Tel: 044 690 5511 • Cell: 062 598 5340
Email: **mvradiology@gmail.com**

Michelle van Rensburg earned a degree in Bsc. Communication Pathology with specialization in Audiology and Speech therapy at the University of Pretoria in 2002. She has 20 years clinical experience in Audiology and practice management.

The practice offers the following services:

- **Hearing screenings** (for individuals uncertain if their hearing requires further investigation)
- **Diagnostic hearing assessments** (to determine degree and treatment options for hearing loss)
- **Industrial hearing screening and testing** (identifying noise-induced hearing loss)
- **Hearing protection** (Swimplugs/snoreplugs/shooting etc)
- **Fitting and adjustment of a wide range of hearing instruments** (Including, but not limited to Signia, Oticon, Phonak, Widex etc)
- **Ongoing aftercare** once hearing instruments have been fitted
- **Supply of all hearing instrument accessories** (batteries, drying capsules, receivers, domes, moulds etc.)

Kind regards,

Michelle van Rensburg
Audiologist
